DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

**Guidelines for Mid-Sem Evaluation for the M. Tech. Dissertation Phase-II**

The Mid Term evaluation of M. Tech. dissertation phase-I will be held as per the schedule given in the Academic Calendar on **2nd** march 2026 **from** 2 PM onwards. Each student will be given 20 minutes for presentation followed by question and answers. Students will be required to make 15-25 slides presentations for presenting their work along with a spiral bound report.

***Following criteria will be adopted for M. Tech. Dissertation Phase-II Mid-Sem Evaluation***:

1. Each M. Tech. student will be given 20 minutes for presentation (15-25 slides) followed by questions and answers.

2. The students will have to submit a report of 10-15 pages duly signed by their supervisor(s) to the committee (1 copy for each group). The report must contain the following sections:

- Front page consisting title of the project, supervisor name, students name along with NSUT logo.
- Table of contents
- Abstract
- Introduction
- Motivation
- Literature survey
- Problem statement
- Objective
- Conclusion and Future work
- References

3. In addition, each student needs to turn in their assignments consisting of presentation and project report in the classroom, as already notified, prior to their appearance for viva voce.
